### 1.1 NASLIN

#### 9th Conference

The 9th Conference of the North American Sport Library Network, May 24-25, 2003 that was held jointly with the 31st Annual Conference of the North American Society for Sport History, at Ohio State University was fun and challenging for participants. NASSH members found some of the NASLIN sessions and speakers of interest too and attended our sessions.

The NASLIN Steering committee wishes to thank the following speakers:

- **Andy Geiger**, OSU Athletic Director/Assistant Vice President for Student Affairs
- **Tamar Chute**, Archivist, Ohio State University Archives
- **Ted Hathaway**, Manager, INFORM Research Services & Co-Director, SABR's Baseball Index
- **Kevin Grace**, Archivist, University of Cincinnati Library, Archives and Rare Books Dept.
- **Bernie Kish**, Executive Director & **Kent Stephens**, Collections Manager, College Football Hall of Fame
- **Tam Dalrymple**, Manager, WorldCat Services Marketing, OCLC

Many thanks are also extended to Laura Blomquist, Head, EHEPSW Library at OSU for her great assistance to the local arrangements for this conference.

### 1.2 SIRC (Sport Information Resource Centre)

#### The SIRC Websites

The various SIRC websites are undergoing an update and redesign. The main website that describes SIRC's products and services <http://www.sirc.ca/> has a fresh new look, more detailed information and easier navigability.

A greatly expanded and enhanced section for Canadian sport now carries a new name, *Canada's Sport Information Resource Centre*, <http://www.canadiansport.com/>. Working closely with the amateur sporting associations, SIRC staff is assisting them with their online information needs through a more informative website. Note especially the Directory of Organizations that includes all national sport, multi-sport, provincial, disabled bodies, plus Halls of Fame and Museums, and major games organizations.

### SIRCThesaurus additions (Feb-March 2003)

The SIRC Indexing committee has been busy keeping up with the new terms necessary to index the topics of current research. Some of the additions include:

ACCESS CONTROL	EVENT MANAGEMENT	OLYMPIC TRUCE
ANALYSIS OF VARIANCE	FOCUS GROUP	SOMATICS
ANTIDEPRESSIVE AGENT	HANDCYCLING	WEST NILE VIRUS
AUTOLOGOUS TRANSPLANTATION	MUSCLE DYSMORPHIA

These Official Reports are now available on their website.

See the list of available Official Reports in PDF format at:
