Finding industry reports in the Mergent Online database

- Mergent Online provides current industry profiles for major industries in regions around the world.

Access the Mergent Online database from the Business Library homepage

The screenshot shows the Business Library homepage. At the top is a banner image with the text "Business Library" in large white letters. Below the banner is a teal navigation bar with links: HOME, SEARCH COLLECTIONS, SERVICES, HOURS & LOCATIONS, ABOUT US, and GET HELP. Under the navigation bar, there is a "Home" link and a "Business Library" heading. A search bar with a "SEARCH" button is present. Below the search bar, there are several sections. The "Business Databases" section is highlighted with a red box and two red arrows pointing to it. A yellow callout box with a red border contains the text: "Click on Business Databases or 'The business Library has...' to access the list of databases". The "Business Research Guides" section has a dropdown menu with the text "Please make a selection...". The "Featured: Tourism Resources" section is partially visible at the bottom right. On the right side of the page, there is a chat window with the text "Type here to chat. Press ENTER to send."

December 2009	
CONTENTS	
Current Environment – US <ul style="list-style-type: none">• Sector Overview• Sector Performance• Drug Industry Leaders• Merger, Acquisition and Alliance Activity	Current Environment — Key Points <ul style="list-style-type: none">• Over the past six months, both sides of government put numerous reform proposals forward, as legislators embarked on major reform of the US healthcare system.• The stock market for pharmaceutical companies performed well. The stocks of the top ten pharmaceutical companies rose by an average of 14%.• Pharmaceutical companies remained stressed during the second quarter of 2009, due to generic competition and international currency fluctuations.• Leading pharmaceutical companies (e.g., Merck & Co (NYSE: MRK) and Abbott Laboratories) remained strong in both revenues and net profits during the three months ended June 2009.• A flurry of M&A activity over the last six months suggested that vaccines were the new M&A targets. In one of the largest pharmaceutical deals to happen in the last six months, Abbott Laboratories acquired Solvay's pharmaceutical unit for US\$6.6 billion, including its vaccine-making business.
